

Here are the numbers for the girls who made the 2010-2011 Dunbar Cheerleading team! The numbers are ranked in order by how they scored today at try-outs. This is just a starting point and nothing more than that. We will not divide teams for competition until camp. Also, please note that jumps and motions were scored very heavily. Points were deducted for bent wrists, toes not pointed, voice, facials, etc. There is a mandatory first meeting for kids and parents **May 11th 7:00 pm at Dunbar High School in Room 803**. Please bring any paperwork that is not yet turned in. Parents will need to pay for drug testing (\$25) and insurance (\$37.84) at this time. Both of these checks are written to Dunbar High School and must be two separate checks. Also, if your child plans on attending cheer camp with the team we will need a deposit of \$150.00 written to Dunbar Cheer Boosters. Camp will be in July. We are currently working on the summer schedule to have ready at the meeting and need any dates that girls will be gone this summer. Please e-mail maggiefarmer8@yahoo.com by **tomorrow** in order for us to get the schedule worked out in time. We also want to make it aware that 4 girls have contacted the guidance office that they will be transferring to Dunbar and we will give them an opportunity to try out. We look forward to this year and are ready to start working hard. If you have any questions please check the website or e-mail donnag.martin@fayette.kyschools.us.

* For these girls we will give you time to work on your cheerleading skills and give you a re-evaluation at the end of the summer. We encourage you to attend practices and conditioning.
